1. Several annual classes of reservists are to be called to duty for summer maneuvers, starting 1 July 1952. Priority attention is to be given to those drafted in 1945 and 1946 and (sic) whose active duty was less than two to five months (sic).
2. Reservists have been ordered to report in border districts and military training camp (VVT - vojensky vychikovny tabor) stations, where they will undergo training which will presumably end with maneuvers in and along the border region. A strengthening of PS units during the maneuver period is anticipated. PS units are expected to participate in final maneuvers.
